The question has been raised, and it is generally believed, that the elected Members of the Council do not take the title of "Honorable"; titles, according to the theory of the Canadian constitution, being only conferred by the Crown. This title will, probably, only be conferred upon them in the House, as on Members of the House of Commons in England, as a courtesy of debate.

BOWMAN'S
SYRUP
OF
WILD CHERRY.

The Richest and Best Remedy

FOR THE CURE OF

**Consumption, in all its stages,
Coughs, Colds, Hoarseness, Asthma, Hooping
Cough, Bronchitis, &c.**

Unlike the generality of Medicines from the United States, purporting to be made from the Cherry, this Syrup is truly and faithfully prepared from the Wild Black Cherries, without heat.

It is extremely pleasant to the taste, and produces an immediate healing and soothing effect on the lungs.

It is of Home manufacture—is well prepared by a regularly licensed Chemist—is better and more agreeable than any other Cough Medicine, and should therefore for these three very strong reasons be patronized by all.

PRICE, ONE DOLLAR PER BOTTLE.
